Sexual assault or abuse can happen to anyone – **men, women or children.**

No-one deserves or asks for it to happen. **It is not your fault.**

Sexual assault and abuse is any unwanted sexual act or activity without consent. It includes rape, child sexual abuse, sexual harassment, rape within marriage or relationships, forced marriage, so-called honour-based violence, female genital mutilation, trafficking, sexual exploitation and ritual abuse. Sexual abuse can also happen online.

The abuser can be a stranger, or even someone you know and trust.

Survive provides free, confidential emotional support, advice, practical help and counselling for **victims of abuse and those close to them.**
